Your profession demands that you remember a wealth of knowledge. A simple slip of the mind can result in thousands of dollars in lost sales or credibility. Build your competitive advantage by learning how to train your memory. In this program, titled “Discovering Your Memory Power,” Kelly Avila will show you how having a trained memory can make you more money, reduce stress, and save you time.

A passionate people person, clients find Kelly real and approachable. She excels at helping others find opportunities they might not have identified, as seen in her success as a former marketing consultant, and now as a speaker for Freedom Personal Development.
